AIRCRAFT SOLUTIONS, INC., IN ITS CAPACITY
AS OWNER TRUSTEE,

Defendants.

22 Civ. 02426 (LLS)

ORDER

On August 8, 2022, the Court orally directed Asian Pacific's defense counsel to produce "all of the communications back and forth between your client and the [Chinese] court. All of the submissions to the court, all of their arguments to the court and all of the communications between the court and your client and between the plaintiff that action and your client. That should not be too hard to assemble."

Defense counsel replied, "I agree, your Honor." (Tr. pp. 9-10).

Counsel has not yet complied fully with that directive, and therefore, it is now ORDERED, that Defendant Asian Pacific, Brendan Collins, Esq. and GKG Law shall produce on a rolling basis by no later than Friday, September 2, 2022, all the above listed documents and communications, and any other documents and communications relating to the Chinese Court action and its underlying transactions, facts, and occurrences. Materials

withheld on the basis of privilege should be listed separately
in a privilege log.

So Ordered.
